We want to promote the Organisation that you support “week-in-week-out” to show our Customers and those that look on in envy or wonder, the benefits and achievement of our efforts.

The catch? There isn't one.

The Cost? No Cash, Cheques or Credit Card transactions

The Benefits? Funds for the Groups that we all support.

How do you join? .. No Agreements, No signing on the dotted line, Just support and it's yours!

Read on and find out how you can be part of the biggest event that will bring the 100 Year Celebration of Scouting in to the Heart of Christchurch.....

“Together we can show the local community, the Power of Scouting, demonstrate the Fun and sense of belonging we all get through working with our Customers – The Kids of today, our leaders of the future”

The vision.....

12 Hours of Fun filled Scouting, taken in to the Community to promote the Movement with the Benefit of funds for your Group.

We have eight active Groups, three additional active sections, which equates to an eleven tier strong team, with over 720 members and helpers. With this many people, how can we be wrong?

How does it work?.....

We all meet at 9am for the start, which is proposed as being the second week in July 2007. We run some side stalls, get entertained by local organisations, we demonstrate the fruits of our labour with the Kids showing off skills and competing in an all day event and finish with a massive BBQ before we lower the flag on a Fun Filled day to remember.

How does it happen?....

We form a committee of some 20 or more people,(approximately 2 nominated people from each Group) GSLs, Leaders, Unit Helpers, Committee members, Parents – there's no restrictions as to who. Identify the Tasks and share the load between each group. **Each and everyone has a skill or ability to offer!**

We draw in Sponsorship, Make, Beg, Borrow and if we really must Buy in the Equipment, Skills and resources needed to pull of the Biggest Fayre in the History of Christchurch Scouting!
