

with, we hope a centenary theme, and lots of teams taking part.

A mini orienteering course and also a large orienteering course run as a relay with lots of teams competing against each other.

Other activities are still in the planning stage but it promises to be a weekend camp you will remember for a very long time - maybe even for the next 100 years. See you there.

## and the Explorers...

During the weekend the explorers activities will include Archery, Climbing, Aerial Runway, Rope Bridge, Hike and Camp Cooking.

Mark (DC)

So as you can see this camp is going to be different. The cost for this camp will be £30 for Cubs, Scouts and Explorers and just £5 for the Beavers. You will be kept busy, with things going on throughout the day, all day, from breakfast to bed-time!

### The next step...

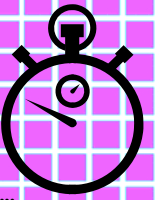

Loose in this newsletter you will find a registration form you will need to return to your leader to book a place at this camp. Again this must be back by 3rd March to allow us to calculate numbers for the activities.

Looking forward to seeing you all and enjoying yourselves

## Are you good at rising to a challenge?

When the Scout Association threw down the gauntlet and challenged every member of the Scout Movement to camp at the same time to celebrate the Centenary, Christchurch District had to accept.

Christchurch Scout link and the Scout fellowship are joining us. On the Sunday the Beavers from each Group have been invited to come along and be a part of the celebration. The evening will start with a mammoth BBQ, followed by a camp fire which we hope will be enjoyed by hundreds of people connected with Scouting in Christchurch.

All of the camps across Great Britain are being planned for the same weekend - Spring Bank Holiday weekend at the end of May from Friday 25th to Monday 28th.

A full and varied programme is planned with lots of activities both on and off site. In addition to the team games and more traditional camp fun that we always have.

There are just over 60 days to go to the camp, **make sure that you're part of it.**

We are hoping that all of the Cubs Scouts & Explorers will camp, 2<sup>nd</sup>

morning with the cubs. In the afternoon Beavers, Cubs, Scouts, Explorers and Leaders will all be taking part in It's a Knockout. A traditional camp fire will be held in the evening.

The rest of the weekend will be filled with activities especially brought in for the cubs - watch this space to find out more. Write this date in your diary, persuade your parents that they will be able to manage without you for the weekend, talk to your Leader and book your place on this camp as soon as possible.

Rikki (ADC Cubs)

Cub Leaders in Christchurch are busy organising a really exciting programme for this years Spring Bank Holiday Camp. For a start they have renamed it the Centenary Camp - does that mean there will be there for 100 days? Surely not! We hope there will be at least 100 cubs. Will you be one of them?

This year will be a bit different from usual. The Beavers will be visiting camp for a whole day and joining in activities in the

## Not forgetting the Beavers...

This is the event you have all been waiting for, "Centenary Camp" a day at Braggers Wood with everyone in Scouting in Christchurch.

A day filled with fun and activities with Cubs, Scouts and Explorer Scouts from all Groups. No packed lunches, we will eat with our own Groups, just like being at Camp ourselves!

So Beavers, tell your parents about the day and how important it is to make it the best Fun Day ever.

The date is Sunday 28th May 2007, Braggers Wood, Bransgore from 10.00am until 6.00pm, a long day, but a day to remember for a long time!

See you all there  
Peter (ADC Beavers)

## And the activities for the Scouts...

Come along and have a weekend of fun and adventure with, hopefully, all the scouts in Christchurch, probably over a 100 but 100 would be great.

Activities will include a tremendous torch-lit opening ceremony, an activity afternoon with the cubs and beavers, a mammoth camp fire and entertainment as well as a BBQ and disco at which we hope to have up to 1000 members of the association from the district as well as various dignitaries.

The weekend will also include the annual scout "night hike", this time to be held during the day
