“Selling” Scouting Task

Each group will be given a scenario by their facilitator. You have 15 mins to create an outline plan for your scenario

Scenarios

1. You are going to talk about Scouting in the village primary school to a group of 20 6 year old children. You have 15 mins to create a plan ready to present back to the rest of the groups
2. You have been given a plot at the local county show. How are you going to make best use of this offer? You have 15 mins to create a plan ready to present back to the rest of the groups
3. You are organising a Scouting Sunrise ceremony. How can you make best use of this event to “sell” Scouting. You have 15 mins to create a plan ready to present back to the rest of the groups
4. You have been offered space in the local town shopping centre. How can you make best use of this offer. You have 15 mins to create a plan ready to present back to the rest of the groups
